

## Using Reading Assistant Plus

Thanks for using Reading Assistant Plus! We know how important it is that students continue to learn and grow, even during times of uncertainty. Reading Assistant Plus can be used remotely, so your students can independently practice their reading at home.

Follow these steps to get started:

Step 1: Log in to your MySciLEARN account: [www.myscilearn.com](http://www.myscilearn.com)

Step 2: Enroll your students and create assignments (make sure [Auto Assign](#) is on).

- [Watch this video](#)
- [Sign up for a free live training](#)

Step 3: Learn how to use Reading Assistant Plus with students.

- [Watch this video](#)

Step 4: Have students [log in](#), take an [RPI assessment](#) (if needed), and start using the program.

Step 5: As your students use the program, monitor their reports and listen to recordings to help keep them on track.
