

How Do I Prepare My Fast ForWord Implementation for Adobe Flash End of Life?

Support for Adobe Flash Fast ForWord assignments ends on Thursday, December 17, 2020, and they will no longer be available to students.

To avoid an interruption in your Fast ForWord implementation after this date, move students to the new HTML5 components now.

- Use this chart to help you choose the the best assignment for each student.
- You can also use the [Product Use Guidelines](#) for detailed recommendations.
- It's not necessary, but you can also administer an RPI assessment to help you choose an assignment.
