

QUAIL MAIL SORTING WORKSHEET

Instructor: Use this worksheet to practice sorting with the student. Add a written word, a picture (requires Adobe Acrobat Reader®), or both for each category, then provide a list of words or pictures for the student to sort.

Student: In the blank section, write the word, place the picture, or place a combination of the written word and picture in the correct category.

Category 1:  _____	Category 2:  _____	Category 3:  _____
